PROFILE

It is my goal to create unique and compelling visual content for clients using the newest technologies and design philosophies.

EXPERIENCE

Video & Graphic Development/ Interaction Design, Sofos Media — Dec 2013 - Present

Design interactive lessons and comics for e-learning applications, as well as UI and UX designs for future e-learning software.

Creative Director, ProspectMX/RankPop — July 2008 - Dec 2013

Create websites, marketing material, infographics, and video advertisements for companies. Point of contact for all client designs. Found and delegated work to group of freelancers.

Part Time Instructor, Art Institute of York — 2006 - 2007

Instructed a class on special effects and compositing.

Designer, Valueclick/ Webclients.net Division — Feb. 2006 - July 2008

Designed internet advertisements and marketing strategies for multinational companies. Oversaw a team of two employees.

Freelance Artist, Lancaster Newspapers — 2001 - 2005

Drew a weekly comic strip and self syndicated to three other newspapers.
